# Viticultura Ecológica

**VISUAL STAGE:** A wine dressed in a medium-intensity, darkcherry red with a ruby-red rim.

**OLFACTORY STAGE:** Direct olfaction shows a wine that is somewhat closed, with a background of blackberries and mineral sensations. Retro-olfaction reveals fairly intense fruity sensations (cherries).

**GUSTATIVE STAGE:** This is a wine with a friendly, enticing attack. Light, with a well-integrated acidity. Long and fruity finish.

## VINIFICATION DATA

The wine is made with grapes grown organically in our “La Mesa” vineyard.

It is made with 100% Tempranillo.

Made with state-of-the-art oenological techniques and the utmost respect for organic viticulture standards.
