

# BODEGAS ZURBAL

## Joven

**VISUAL STAGE:** A wine dressed in a beautiful, medium-high intensity, dark-cherry red with a purple rim.

**OLFACTORY STAGE:** Direct olfaction discloses sensations of very intense fruity aromas. Honest and powerful. Retro-olfaction reveals notes of ripe red fruit.

**GUSTATIVE STAGE:** This is a wine with a pleasant attack. Fullbodied, meaty and fatty, with good-quality tannins that give it a marked personality. The final sensation is long and pleasurable.

### VINIFICATION DATA

The wine is made with grapes grown in our own vineyards, located in the finest production areas of Rioja Alta, with vine ages averaging more than 50 years.

It is made with the following grape varieties: 95% Tempranillo, 5% Garnacha and Mazuelo.

The vinification system used for this wine includes destemming without crushing and appropriate maceration with periodic pumpovers. The process includes high-technology features such as automated temperature control and the most aseptic conditions, to produce a wine that is healthy, honest and pleasing even to the most demanding palates.
